Empowering Extraordinary

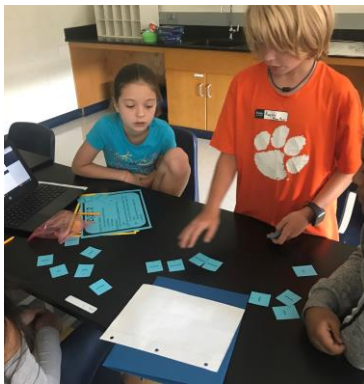

2019-20 Campaign

Return On Investment Your Sponsorship Dollars At Work

SEDFIELD MIDDLE SCHOOL

Making "Cents"

Your contribution to the Empower Extraordinary Campaign will help sustain, support and grow academic offerings, enrichment programming and athletic activities as Sedgefield Middle School. In addition to being recognized for your company's generosity in supporting our new neighborhood middle school, there are also tangible benefits through these specific marketing initiatives designed to elevate your brand and increase awareness among valuable target audiences - key influencers, community members, and new and existing clients.

Where are the Empowering Extraordinary Dollars Going?

Your contribution will help fund three key areas:

- (1) **Capital needs for the school: outdoor learning areas, facility enhancements, maker spaces and technology updates**
- (2) **PTO operating budget to support student academic and enrichment: teacher professional development, educational subscriptions, advanced teaching tools, after school clubs, field trips sponsorships to increase accessibility for all students, staff appreciation, and student academic and good citizenship recognition**
- (3) **Athletics and health activities for the students through the Hoplite Athletic Booster Club: Increased opportunities for student athletes to play sports - some for the first time - and resources to run concessions stands, maintain fields, provide sports equipment and uniforms, offer coach, teacher and student support, and maintain student health programs**

Community Sporting Events

The Sedgefield baseball field is also home to Dilworth Little League Juniors and Seniors baseball teams. Hundreds of families from the surrounding neighbors in South Charlotte and Center City attend on any given weekend during both fall and Spring baseball seasons.

During the 2019 - 2020 school year, the school will be the home to the Queen City Stars, the Premier Girls Lacrosse Program in Charlotte. Premier Lacrosse practices will be held on campus at the school's football field nightly with more than a dozen games held throughout the season.

Home Team Advantage

Sedgefield will host approximately six home football games per year, drawing a variety of supporters, parents and students from Dilworth, Eastover, Myers Park and Sedgefield neighborhoods.

Home to the Sedgefield Spartan baseball team, the baseball field will host an estimated eight home games during the 2019 -2020 year, plus daily practice for student athletes.
