

July 2020

Dear SMS Spartan Families,

I hope you are all enjoying your summer during this unprecedented time. I am honored to serve as your PTO President at Sedgefield Middle School (SMS) this year. I have three children and my oldest son Grant will be a 6th grader at SMS. Our younger two children attend Dilworth Elementary. After serving on the CMS Student Assignment Transition Team and SMS PTO Board last year, I am thrilled for our family to finally be Spartans. The dedicated staff at Sedgefield Middle School has been planning all summer for the return of our Spartans to ensure a smooth start to the school year in whatever way it begins. I am excited about the work happening to prepare for the opening of school for all of our children and families.

As our families prepare for the start of the school year, there is much uncertainty. The PTO, in partnership with Mrs. Miracle and the administrative team, has created a tentative calendar, prepared for events, discussed ways to support our Spartans, and brainstormed with optimism and excitement about the year ahead. What is certain is that our Spartans will need the support of our PTO this year more than ever. Our PTO's support and funding enriches our school and fills gaps in areas that are vital to the success of our scholars.

Enclosed in this summer mailing you will find some important information about summer learning, summer service, a letter from Principal Miracle, and corporate sponsorship opportunities for our capital campaign, Empowering Extraordinary. An official calendar and PTO Back to School packet will be shared closer to the start of school.

Our family is looking forward to an exciting year. If I can be of any assistance to you this summer or school year, please do not hesitate to contact me. I welcome your feedback and collaboration as we work together to make our school the best it can be. Go Spartans!

Sincerely,

Jenn Loeffler
2020-2021 SMS PTO President
