Frequently Asked Questions

Q. Why is sales tax broken out?

A. For the most part, our PTO is a consumer of the items we purchase and therefore we must pay sales tax to our vendors when purchases are made. We are, however, permitted to apply for a refund of sales tax paid, which is why this amount is listed separately.

Q. How long will it take to get a check?

A. Every effort is made to process requests quickly, but two signatures are required and checks are generally signed once a week, so please plan on turnaround times of 5-7 business days. We appreciate your patience. If you need a check by a particular date or within a short time frame, alert the Treasurer ASAP so that we can try to make arrangements to have your check ready when you need it.
