

SEDFIELD MIDDLE SCHOOL

Stay Connected

Sedgefield Middle School (SMS) has a number of ways to keep our current and prospective families up-to-date and involved throughout the school year:

- **SMS Website** - SMS has a website sponsored by Charlotte Mecklenburg Schools (CMS). It has information about enrollment, school forms, athletics and more. Visit us at: <https://sedgefieldmiddleschool.wearecms.com>
- **PTO Website** – Our active and engaged PTO has a dedicated website at www.smspto.org. There you'll find information on upcoming events, school tours, volunteer opportunities and our community partners.
- **PTO Newsletter** – Current and prospective families are encouraged to sign up for the Spartan Express, our PTO newsletter. Go to www.smspto.org and click on Spartan Express for more details.
- **ParentSquare** – Through a combination of e-mails, texts and phone messages, ParentSquare allows SMS administration and teachers to update school families on events, grade-level updates, school announcements, and upcoming classroom deadlines.
- **Teachers and Administrators** – All teachers and administrators at SMS are available to answer questions about your student or the school by e-mail. All e-mails are on our dedicated school web site. You may also leave a phone message with the front office.
- **ConnectEd** – CMS sponsors this communication tool to assist schools in getting information to parents via phone and/or e-mail regarding important events or emergencies. All students with accurate phone numbers and e-mail addresses registered with the school will receive these communications automatically.
- **PowerSchool** – This website is used by CMS to give parents/guardians access to student schedules and grades.
