

SEDFIELD MIDDLE SCHOOL

2020-21

Welcome to Sedgfield Middle School!

Thank you for considering Sedgfield as the middle school choice for your family! We are excited you are visiting our school, home of the Spartans, and look forward to sharing the wonderful things about our school community with you and your family.

Our Sedgfield Middle School (SMS) administration, teachers, staff, community partners and PTO are dedicated to cultivating a positive, diverse and enriching school environment for each student on our campus. We work together to grow our students academically and socially through relevant, rigorous academic offerings, extracurricular activities, and a strong sense of community and school pride.

SMS offers a small, intimate middle school experience where staff members know students by name and opportunities abound for students to get involved. Whether your student is interested in participating in a school play, being part of our daily morning news production, joining our Odyssey of the Mind team, or playing a sport, there is a place for him or her at SMS.

The SMS PTO offers a variety of opportunities for parents and guardians to get involved and support our school through committees and programs. Volunteer opportunities are available for all parents, with a variety of time commitments and interests to match up with what works for you and your schedule. Many positions can be handled from home while others provide an opportunity to connect directly with parents, teachers, students and staff. We also are fortunate to have more than 30+ Charlotte-based community organizations, faith-based communities and nonprofit partners who give time and treasure to our school.

As a PTO, we also conduct "Empowering Extraordinary," an annual fundraising campaign that supports our PTO budget. In 2020-21, our campaign raised more than \$100,000 to fully fund the PTO budget, providing innovative learning opportunities for students, professional development for teachers and staff, school spirit events, field trip scholarships and so much more. We are excited about the outcome of this campaign which supports our current students and paves the way for exciting programs for future Spartans.

If you have any questions about the SMS experience, please reach out to me or one of our PTO board members. We are eager to answer your questions and share with you the many reasons we love our school.

Thank you for your interest in Sedgfield!
