

SEDFIELD MIDDLE SCHOOL

August 8, 2021

On behalf of the Sedgefield Middle School PTO, we are inviting your organization to become a corporate partner in the *Empowering Extraordinary 2021-22 Campaign*. Your generous support will ensure all Sedgefield Spartans and educators have the tools they need for success.

As our scholars and teachers prepare to return to school this August, there are many needs that fall outside of CMS funding. As we quickly learned during our last school year, needs arise that cannot be anticipated. Thanks to the generosity of our corporate and individual sponsors, we were able to provide facility enhancements, outdoor learning environments, and technology support that made this unusual year a success.

As we look forward to a new year, your support will allow us to expand opportunities available for our scholars. A few of these include after school clubs, field trips, and educational enhancement tools. This campaign also helps to support student athletes by ensuring everyone has access to the uniforms and equipment they need as well as maintenance of fields and facilities.

As you consider your corporate giving, we hope that you will choose this opportunity to serve Sedgefield Middle School. Becoming a corporate sponsor of the *Empowering Extraordinary 2021-22 Campaign* shows your friends, neighbors, and customers your commitment to building a strong community.

Financial and in-kind donations are welcome and appreciated at any time. However, to secure your logo on marketing materials and signage, **please make your commitment before the deadline of August 31st, 2021.**

Thank you for your kind consideration!

Sincerely,

Rose Herring and Lori Culicerto

P.S. Please see attached overview of sponsorship opportunities.
