

The Sedgefield PTO is excited to announce the start of our Empowering Extraordinary campaign. The Empowering Extraordinary Fundraising Campaign is our annual fundraiser to provide support for our school's PTO, staff, and administration. Families, community members, and corporate sponsorships are all key donors to our annual campaign. Our campaign runs from September 7-30, 2021. Our campaign goal this year is \$80,000.

What is Empowering Extraordinary?

The Empowering Extraordinary campaign is a way for our families, our neighborhoods, and local organizations to show their financial support of Sedgefield Middle School. The proceeds from this campaign will support the 2021-2022 PTO operating budget and capital needs of the school. Our goal is to have broad participation from Spartan families by the close of the campaign on September 30. No gift is too small and all gifts are appreciated. We need the participation of all Spartan families and supporters to meet our goal.

Where are the Empowering Extraordinary Dollars Going?

Your contribution will help fund three key areas:

- (1) Capital Investment Priorities: digital learning platforms, enrichment experiences for each grade level (on and off campus), interactive learning and movement tools, culturally enriching novel studies, campus improvement and professional development.
- (2) Ongoing PTO Investments: educational subscriptions; advanced teaching tools; school clubs; staff appreciation and student recognition funding.
- (3) COVID-19 Support: facility enhancements for health and safety, outdoor learning environments, health and safety supplies.
